# WELCOME FROM THE WRC 2027 COMMITTEE

On behalf of the World Road Association (PIARC), and the Canadian Organizing Committee, we are pleased to invite you to take part in the XXVIII PIARC World Road Congress, which will be held from Oct 4 to 8 October 2027 at the Vancouver Convention Center, in Vancouver, Canada.

Perched between the awe-inspiring Rocky Mountains and the expansive Pacific Ocean, Vancouver emerges as a dynamic cosmopolitan hub within Canada that blends cultural heritage with extraordinary experiences, making it the perfect place to host the 28th edition of the World Road Congress.

Organized every four years since 1908, the aim of this 4-day congress is to encourage the sharing of international experience and best practices. Featuring Ministers, academics, practitioners, and PIARC's international partners associations, the Congress connects you with a powerful global ecosystem of industry expertise driving leadership and innovation across the entire road sector.

The PIARC World Road Congress 2027 will feature a major exhibition, technical tours, a diverse social program, and a robust technical program showcasing the culmination of the work of PIARC's technical committees over the past four years.

Partnering organizations will be invited to participate in foresight sessions, fostering collaboration and innovation. Under the theme "Paving the Road to a Cleaner Future" the Congress will place sustainability, resilience, and decarbonization at the heart of global infrastructure discussions.

With participation from more than 120 member nations, the World Road Congress unites administrations, road operators, researchers, practitioners and academics around a shared mission: building a resilient future for the road sector. This Congress is truly global in scope and ambition, welcoming countries from every region, climate, and stage of economic development.

We invite road experts, academics and students, and administrators from both the public and private sectors, from all countries to join us for the World Road Congress in Vancouver—where the ocean, mountains, and a spirit of innovation come together, offering an inspiring backdrop for our global conversations. I encourage you to put this event in your calendar and look forward to seeing you in Vancouver in 2027!

**JOSHUA LAROCQUE**  
Canada's first delegate to PIARC

# ABOUT THE XXVIII WORLD ROAD CONGRESS

The World Road Congress is an integral part of the global road agenda and an exceptional opportunity for forward thinking companies to be part of the conversations that will shape transportation for generations to come.

This flagship international forum is parallel to none and will explore world-class technical programs that translate research into real-world solutions, catalyze collaboration, and amplify diverse thought leadership relevant to today's most pressing infrastructure challenges.

WRC 2027 is an undeniable event for those committed to the advancement of cleaner, smarter, and more resilient infrastructure. See you in Vancouver!

Dunsmuir Bike Lane Vancouver , Canada

## HOST CITY: VANCOUVER, CANADA

Vancouver is more than a world-class destination, it is a living showcase of innovation, diversity, and environmental resilience. Framed by the Pacific Ocean and the Coast Mountains, Vancouver is renowned for its sustainable urban planning and pioneering green technologies, earning recognition as Canada's greenest city with the smallest per capita carbon footprint in North America. The city amplifies and embraces its inclusive communities and world-class amenities, making it a magnet for international collaboration and talent. At its core, Vancouver not only embraces the future, but actively shapes it.

## WHO ATTENDS

- Government & Public Authorities
- Engineering & Construction
- Transportation Planning & Policy
- Road Safety & Operations
- Environmental & Sustainability Experts
- Technology & Innovation Providers
- Finance & Investment
- Academia & Research Institutions
- Associations & International Organizations
- Suppliers & Manufacturers
- Communications & Media

# WHY ATTEND WRC 2027

As the world accelerates toward cleaner, smarter, and more resilient infrastructure, WRC 2027 is the moment to connect and activate the next era of global transportation excellence. For organizations looking to expand their global footprint and showcase transformative technologies, the Congress is the epicenter of a worldwide movement driving transportation forward. Canada’s Pacific gateway and one of the world’s most connected transportation hubs, Vancouver represents the convergence of global trade corridors, multimodal transportation systems, and next-generation infrastructure development.

## Key Reasons to Attend

- Connect with international delegates from over 120 countries
- Explore cutting-edge technologies and best practices in sustainable mobility
- Gain insights from world-class technical sessions and experts
- Initiate and Build partnerships cross sectoral relationships
- Experience Canada’s leadership in climate-resilient and inclusive infrastructure

# Discover Vancouver

Canada's road network supports one of the world's most trade-dependent economies, connecting major ports and cities to rural, northern, and Arctic communities across enormous distances. From highway expansions and bridge renewals to freight corridor upgrades, Canada is modernizing critical links that move people and goods safely and efficiently.

As a country that manages coastal flooding, mountain corridors, freeze-thaw cycles, wildfires, and Arctic conditions, infrastructure must perform in some of the most demanding environments in the world. That reality has driven innovation to all season's operations, asset management, materials, and climate-adaptive design.

# Discover Vancouver

Belleville Terminal Replacement Project, Victoria

Ståfwasem (Pattullo) Bridge Replacement

Surrey Langley Skytrain Construction

Broadway Subway Project

As Vancouver hosts the WRC 2027, large-scale projects such as the Pattullo Bridge Replacement and the Fraser River Tunnel Project are expected to be under active construction, offering delegates a real-time look at complex, multimodal infrastructure delivery.

Together, these investments show that Canada isn't just talking about sustainability and resilience, we're building it. WRC 2027 offers the global road community a chance to see how trade, tourism, climate resilience, and multimodal mobility come together in one of the most dynamic and forward-looking cities in the world.

# WRC IN NUMBERS

# CONFERENCE TOPICS

THE LEADING GLOBAL EVENT ON TRANSPORTATION & INFRASTRUCTURE

Dive deep into conversations about the future of transportation, sustainable mobility, smart roads, and infrastructure resilience. WRC's Conference themes will set in motion:

- Networking and knowledge sharing, with high-level discussions, interactive panels, activations, and technical sessions.
- Showcase of groundbreaking innovations, featuring cutting-edge research, new technologies, and industry best practices.

The World Road Congress is the perfect event for professionals to stay up-to-date with the latest developments in the road transport sector and to gain valuable insights from leading experts. Don't miss out on this unique opportunity to be part of the XXVIII World Road Congress.

# SPONSORSHIP OPPORTUNITIES AT A GLANCE

All sponsors receive recognition on the conference website, marketing emails, mobile app, digital and onsite signage. Profiles and logos are included in the program and app (length varies by tier). For bespoke packages or sponsorship inquiries, please contact [wrc2027partnerships@mci-agency.com](mailto:wrc2027partnerships@mci-agency.com)

# SPONSORSHIPS AT A GLANCE – BENEFITS BREAKDOWN

## Lanyards €45,000

As a Lanyard Sponsor, your brand becomes a **direct part of each attendee's physical experience**, creating a powerful psychological connection from check in to closing remarks. Make your brand impossible to miss as lanyards are great for brand recall and appear in virtually every photo, conversation, and attendee interaction, giving your company unmatched visibility throughout the entire event.

## Registration Sponsor €35,000

Step into the spotlight as our **Registration Sponsor** and position your brand at the most influential moment of the entire conference: the beginning. Registration is the exact point when attendees are most attentive, engaged, and forming their first impressions. With high impact digital and physical branding across every registration touchpoint, this front loaded exposure will establish your company as a trusted, integral contributor from the moment guests walk through the door.

## Congress Wi-Fi Sponsor €32,500

Align your brand with the single most essential service powering every attendee's experience. Wi Fi isn't just a utility, it's how participants share ideas, access content, network, and communicate throughout the event. **Own the connection that brings the event to life.**

## Technical Visit Sponsor €30,000

Align your organization with a high-impact, repeatable delegate experience through sponsorship of a technical tour. This opportunity provides direct engagement with attendees across multiple tour departures, with branding integrated across tour materials, onsite signage, and transportation, including branded buses. Sponsors will be recognized as the official Technical Tour Sponsor and may provide branded PPE, where required, for enhanced visibility throughout the experience.

## Happy Hour Sponsor €27,500

Help attendees naturally unwind after a full day of sessions, by sponsoring the **"happiest hour" of the day!** Let your support become a catalyst for organic networking moments and brand engagement within the exhibition hall.

## Concierge /Info/ Tour desk for International Delegates €27,500

Let your brand be present and support the bridge that helps delegates feel informed and supported. As the sponsor of the Information Desk, you become directly associated hospitality, guidance, and support—the qualities international attendees value most when navigating a new country and a complex event.

## Hydration Host €25,000

Showcase your commitment to planet positive action in a way attendees instantly recognize and appreciate. Every refill, every bottle carried from session to session, and every moment of refreshment expands your brand's visibility across the entire conference. Excludes the price of the water bottles.

## Events for Change €22,500

Position your brand as an active champion of equity, inclusion, and social impact on a global stage. This is an opportunity to design an event strategy that delivers purpose, performance, and measurable impact.

## Refresh Break €22,500

Food creates connection, so why not let your brand be a part of the Congress' first interactions and bites! By sponsoring this refuel stop, your company signals local investment, mindfulness and the shared moments that naturally bring people together.

## Road Talks €15,000

A 30-minute organization-led session within the open forum, offering a platform to highlight your expertise, share insights, and engage delegates in a high-visibility setting. Sponsor is responsible for providing the speaker(s). Screen and mic will be provided.

## Charging Station Lounge Sponsor

Charging stations are more than a utility—they are moments of pause, connection, and reliance. By sponsoring this essential space, your brand becomes part of every conversation, every follow up email, and every shared idea.

### Exhibit Hall Charging Lounge €18,000

Placement in the highest traffic networking zone, where attendees naturally congregate, browse exhibits, and spend extended dwell time while charging devices. Association with productivity, connection, and convenience—your brand enables attendees to stay powered, connected, and present

### Plenary Foyer €13,000

Brand visibility aligned with the conference's most high-profile programming. Visibility during peak arrival, transition, and reflection times

### VIP Lounge €13,000

Exclusive exposure to VIPs, senior leaders, speakers, partners, and decision makers in a quieter, more intentional environment. senior level brand alignment

## Video Advertisement €4,150

Highlight your organization's commitment to advancing innovation on an international stage. Showcase your 60 second visual with close caption narrative for the duration of the Congress on a screen located in the exhibition hall (not exclusive).

# DIGITAL MARKETING

EXPAND YOUR AUDIENCE!

## WHY

- Your customers have ALL gone digital and are online.
- Inhouse teams are focused on traditional marketing and do not have access to
- GDPR-compliant pools of potential delegates.
- Generate targeted audience engagement before, during and after the congress.
- Increase symposium participation.
- Increase ROI!

## WHO

- Abstract submitters
- Previous attendees
- WRC website visitors
- PLUS a GDPR-compliant data pool of 180,000 targeted professionals in the field

## HOW

- Media buys across a wide range of search, social, news and academic channels.
- These web and targeted visitors begin to see display ads.
- Ads are featured across all devices such as mobile phones, laptops and tablets.
- Development of a custom landing page accessible only by clicking on the ads.
- High visibility promotion of sponsor's brand and/or symposium.

## RESULTS

- An average click-through rate of between 24% and 46% which is 4 x higher than the industry standard.
- While the congress will reach a few thousand, with a digital marketing boost you will reach hundreds of thousands.
- Detailed reports on audience size, location, engagement rates and length of time and conversions.
- Opportunities to create future campaigns.

# NATIONAL PAVILIONS & EXHIBITION

A National Pavilion is your country's opportunity for an unmistakable showcase highlighting your nation's most impressive infrastructure projects, breakthrough technologies, forward-thinking policies, and industry innovations together under one bold, unified banner. It instantly elevates your national presence, delivering prime visibility and opening doors to influential international ministries, public authorities, and global organizations eager to collaborate.

Your Country's pavilion is the destination where meaningful conversations can happen with investors, technology partners, and global leaders who want to understand your market. If your country is ready to stand out, lead, and drive international engagement, a National Pavilion is the ultimate platform to make it happen.

Purchase a National Pavilion to signal your country's active role in shaping international policy, contributing to global knowledge exchange, and supporting advancements in road and transportation infrastructure.

# NATIONAL PAVILION - RATES AND BENEFITS

## PAVILION SPACE

Participation through a National Pavilion at WRC 2027 offers countries and international bodies a fully supported and highly visible platform to showcase national expertise, innovation, and leadership.

Pavilion spaces are offered with options ranging from 36 m<sup>2</sup> to 400 m<sup>2</sup> and can be customised to meet your delegation's strategic and representational goals.

We would be pleased to provide further details upon request.

### NATIONAL PAVILION BENEFITS

- Premium pavilion location (based on size and time of registration)
- Priority pavilion opening time slot (based on size and time of registration)
- 1 promotional post highlighting the pavilions present
- Your pavilion highlighted in the final program and showcased in the exhibition map

# MACHINERY & EQUIPMENT

Gain precious visibility for exhibiting your equipment or vehicles inside the exhibition space.

## OPTIONS AND CONDITIONS

Order from 36 m<sup>2</sup> or more for open space at €415/m<sup>2</sup>.

Includes (1) Exhibitor Pass registration per 9 m<sup>2</sup>

## PRIORITY

Space is offered on a first come, first serve basis and those that submit their official registration and payment will be prioritized based on first level of participation and then time of registration.

For Exhibition/display space ONLY, exhibitors will be responsible for the space design, construction, equipment movement and related costs. The exhibition organizer will only provide the venue, basic lighting and cleaning of public areas.

## ONLINE BOOKING AND PAYMENT

To secure your participation, please register and pay through the following link: [WRC 2027 Sponsor & Exhibitor Portal](#)
